To whom it may concern

As a coordinator of the PhD programme Translational Research in Biomedicine, School of Medicine, University of Split, I confirm that all doctoral students from our programme, who will fully participate in the OMICs in biomedical research conference at MedILS, Split, during the period June 8-12 2015, will earn 5 ECTS.

Education of doctoral students is one of the goals of the conference and our programme does anticipate the participation of our students in one summer school or conference dealing with basic science topic.

Coordinator of the PhD programme
