

OMICs in biomedical research

Mediterranean Institute for Life Sciences, Split, Croatia
June 8-12, 2015.

Organized by:

prof. Miroslav Radman
prof. Mladen Merćep

prof. Igor Štagljar

Venue:

<http://omics.medils.hr/>

April 2nd 2015

FOURTH ANNOUNCEMENT

We are pleased to share with you some exciting updates in the planning of the *“OMICs in biomedical research”*. Please visit our Web site to review important information regarding abstract and more exciting details about the Conference.

1. ABSTRACT DEADLINE EXTENDED: We have been asked to extend the deadline for abstract submission. The new deadline is **May 1st 2015**. A confirmation of receipt e-mail will be sent within 48 hours of abstract submission. Acceptance notifications will be emailed by May 15th 2015. For your convenience, the link to the abstract submission information is: <http://omics.medils.hr/index.php/about-us/20-abstract>

Questions regarding Abstracts may be directed to Irena Rajic (irena.rajic@medils.hr).

2. ECTS CREDITS: European Credit Transfer and Accumulation System (ECTS) is a standard for comparing the study attainment and performance of students of higher education across the European Union and other collaborating European countries.

Education of doctoral students is one of the goals of our conference. All doctoral students from following PhD programmes who will fully participate in the OMICs in biomedical research conference at MedILS - Split, during the period June 8-12 2015, will earn **5 ECTS** credits.

- PhD programme in Evidence Based Medicine, School of Medicine, University of Split
- PhD programme in biophysics, Faculty of Science, University of Split
- PhD programme Translational Research in Biomedicine, School of Medicine, University of Split

3. SPONSORS: Conference is offering a wide range of ways to leave a lasting impression on all participants. High exposure, prior to the congress, on site and afterwards.

Sponsorship possibilities are listed in our *Sponsor book*.
