FIFTH ANNOUNCEMENT

We are pleased to share with you some exciting updates in the planning of the **“OMICs in biomedical research”**. Please visit our Web site to review important information regarding abstract and more exciting details about the Conference.

1. SCIENTIFIC PROGRAM UPDATE: Novel technological advances have allowed biologists to take a sharp turn in their approaches to decipher molecular function and basis of physiological and pathological mechanisms. This conference will bring together researchers who are applying and developing novel “OMICs” approaches with an ultimate goal of understanding the functions of genes & proteins of therapeutic importance. At the conference topics such as emerging OMICs technologies, gene/protein and metabolic networks as well as their role in drug discovery and human diseases will be covered.

2. AGILENT LUNCH SEMINAR:

Advances in Metabolomics Research

Join Agilent's lunch seminar during OMICs in Biomedical Research in Croatia on Wednesday 10th June at 1:00pm-2:00pm.

Agilent Solutions for the Metabolomics

Speaker: Dr. Shaun Bilsborough, Mass Spectrometry Product Specialist, Agilent Technologies

High-throughput metabolome profiling of cellular responses

Speaker: Prof. Uwe Sauer, Institute of Molecular Systems Biology, ETH Zurich
